

THE COURTYARD

Situated just outside the University of Wollongong Unibar and Hall, the Courtyard boasts an open air environment (with a smaller capacity than that of the Gardens), combined with the brick & mortar facilities of the Unibar.

When holding an event in the Courtyard, there is increased flexibility in production and staging. Rain, hail or shine, the courtyard is a perfect choice for a variety of shows, with the ability to bring in marquees and more at the artist's discretion and expense. Perfect for dance music and electronic music events.

FACILITIES

- DA approved open air event site.
- All staffing & security will be provided.
- Door person provided.
